REMINISCENCES OF OUR PIONEER DAYS

Gleanings From the Records Left By Men Who Laid the Foundation of Our County.

Redwood City was beginning at this time to make a very fair showing of its valuation. According to the assessment roll of the town assessor, which was compleated in August, the valuation for the year 1876 was $430,000.

With the issue of September 9th, 1876, the Times and Gazette gave to its readers substantial evidence that the consolidation of the two papers of the county had proven a wise move and had added to the prosperity of the buisness venture. With that issue the paper appeared in a considerably larger form, having been increased to about its present size. At the same time a new and greatly improved press was added to the nowspaper plant. That times were good is evidenced by the announcement that this was made necessary by the advertising patronage which the paper was receiving.

In the earlier days of its history Redwood City seems to have suffered much more from fires than it has done of late, both as to the frequency of their occurrence and the extent of the losses entailed. Following a few weeks after the second destruction of the warehouse of Hanson, Ackerson & Co., fire did considerable damage at the tannery plant of Smith & Co., located in the eastern part of the town. This fire was discovered shortly after noon on the 11th day of September, 1876, and like the other was of decidedly mysterious origin. When the fiire department arrived, which was almost instantly after the ringing of the alarm, the fire was found to be in the large shead used for the storage of tanbark, in which the flames had spread rapidly. The combustible nature af the building and its contents was such that the firemen soon discovered that the was no hope of saving either, and their attention was confined to the prevention of the spread of the flames to the surrounding buildings of the plant, in which they were sucessful. The loss to the tannery proprietors was about $2000 upon which there was an insurance of half this amount. No possible means of accounting for the fire could be found. On that day but one man was at work about the tannery, and at the time of the discovery of the fire he had gone up town for his dinner. There had been no fire used in the vicinity of this building for a long time, and when the man left for dinner there had been no fire used in any portion of the tannery premises.

On the 13th of September, 1876, Dederick Kuck, one of the earliest settlers of this section passed to his eternal rest, after an ilness of but a few days. A native of Germany and but little past 40 years of age, deceased had been counted as one of the leading citizens of San Mateo county. At the time of his death he had been a resident of Menlo Park for a number of years. During the greater portion of the time of his residence in the county he had been engaged in mercantile pursuits and in the hotel business, at both of which he had been very successful.

Hope Encampment No. 60, of the Independent Order of Odd Fellows, now one of the prosperous fraternal organizations of Redwood City, was instituted on the 28th of September, 1876. The new Encampment started with a charter list of 22 members, to which two new members were added on the night of the institution, one by initation and one by deposit of card. The ceremonies attended upon the institution of the Encampment were conducted by H. S. Winn, the then Grand Patriarch of the Order for this state, who was assisted by a number of visitors from San Francisco. The first officers of the Encampment were: W. J. Weldon, chief patriarch; Alexander McPherson, high priest; J. P. Ponce, senior warden; J. L. McKibben, junior warden; John Shelly, scribe; Jacob Weaver, Treasurer; Curtis Baird, guide; A. B. Fletcher, E. E. Robbins. J. H. Offerman and A. L. Matchneer, watches; J. Christ, inside sentinal; H. Horton, outside sentinel.

DEFEATED CANDIDATE DEMANDS APPOINTMENT.

In a petition filed in the Superior Court here Monday, William H. Almon of Colma, defeated by Ellis C. Johnson at the recent election for justice of the peace of the first township, asks the court to issue a writ of mandate commanding the board of supervisors to declare him elected or show cause for not doing so.

Almon's petition alleges that in view of the fact that the First township has a population in excess of 5,000 it is entitled to two justices and two constables, and that he, as the person receiving the second largest vote for justice is entitled to the office by law.

A similar petition was filed by Robert J. Carroll of South San Francisco, defeated by J. C. Wallace for the office of constable.

Judge Buck granted the petitions in both cases.

There is some doubt as to the interpretation of the law by the petitioners. Should they secure appointment, the Second and Third townships are also entitled to two sets of officers.

BATTLING WITH THE GREAT WHITE PLAGUE

DR. BRODERICK DELIVERS AN INSTRUCTIVE ADDRESS TO LOCAL PEOPLE AT ALHAMBRA.

Startling Figures are Given Showing the Death Rate Caused by the Dreaded Tuberculosis.

One of the most instructive lectures ever given in this city was that under the auspices of the Redwood Chapter, National Red Cross, at the Alhambra on Saturday evening, when Dr. Broderick, of San Francisco, secretary of the Anti-Tuberculosis League of California, spoke on tuberculosis. Albert Mansfield was the first speaker of the evening and after briefly stating the objects of the meeting and making an earnest plea for the public to stand by the Red Cross in its holiday work, introduced Dr. Broderick.

The speaker, who is a young physician, standing far to the front in the ranks of his profession, entered at once into his subject and in such a manner as to claim the deepest interest from the start. The address was well illustrated and while parts were of a technical nature, the clear, simple words of the speaker brought it within the comprehension of a child.

Beginning with the cause and nature of the disease, its progress and ravages were plainly stated and then, in a spirit of greatest optimism, followed the hope that now existed for the victim and the means by which the disease could be eradicated.

Attention was called to the fact that with its death rate of 150,000 annually from this cause in the United States, California's death rate was the second in the Union. That of the ten largest cities in our country, San Francisco led in deaths from tuberculosis. That in one year 800 died from tuberculosis, while there was one death from smallpox and still it was the smallpox that was heard about.

The doctor stated the cause of the large death rate here was not, as so many claimed, that other states sent their victims here, as it was that California had just awakened to the fight against the disease as the other states had done. That eastern states had appropriated thousands and thousands of dollars for the fight while here the warfare was in its nfancy.

Speaking of the dread that was felt of cancer, of diphtheria, and other diseases, the speaker called attention to the fact that one-third of all deaths was caused by tuberculosis. That the death rate annually of the world from this cause was 1,000,000.

Views were given of sanitoriums throughout the United States, sleeping porches and open air schools with a strong plea for the life out of doors.

In concluding, the sale of the Red Cross holiday seals was dwelt upon. Dr. Broderick said this work was not to be regarded as a charity; it was patriotism, a patriotic movement, pure and simple and the man or woman refusing to aid it was lacking in patriotism. The figures of the deaths known to have been the result of the four years of the Civil War—205,000— were thrown upon the screen and beside it in sharp contrast, the 640,000 deaths from tuberculosis in our country during the past four years. This too was warfare,—a warfare against disease and calling for the mightiest support.

Dr. J. L. Ross was next called upon and heartily endorsed all that Dr. Broderick had said, as well as voicing his appreciation of the public having had the opportunity to hear such an able lecture.

A letter was read from Geo. A. Merrill, regretting his unavoidable absence and stating his great interest in the work. Two splendid solos were rendered by Harry Scanlan and the program concluded by a brief speech by Rev. C. C. Kirtland, who made an earnest plea for the work of the Red Cross. A number of excellent musical selections were given by the Redwood City band.

The Red Cross wishes to thank all who assisted at the lecture on Saturday evening. Those wishing Christmas seals can be supplied at Walsh's drug store, at Einstein's or from the secretary, Mrs. J. N. Winter.

DANCE AT THE GYMNASIUM NEXT SATURDAY EVENING.

Keeping in mind that it is all to help the gymnasium along, attention is called to the greatest social event of the fall season—the benefit ball given by the Bachelors in the spacious and well ventilated gymnasium next Saturday evening. Those who have already attended the Bachelor's enjoyable dances will surely be there and they will tell their friends so all in all there should be a banner crowd to encourage the club which has made the gymnasium possible. Dancing will last until 1 o'clock, and Mullen's orchestra, the good old stand-bys, will render their best efforts, and as the whole Bachelor club will be on hand to give everybody a good time one may rest assured that the evening will be most enjoyably spent. As usual the ladies will be admitted free and gentlemen will be charged 50 cents.

CITYOFFICIAL PAPER

D. E. O'KEEFE, Editor and Proprietor

A WORTHY ASPIRANT.

The announcement of the desire of Assemblyman Henry Ward Brown of this county for the honor of presiding over the lower house of the Legislature at its coming session is one which should receive much favorable consideration at the hands of his colleagues. No better or more deserving choice for Speaker could be made.

Mr. Brown is certainly well qualified, both by education and experience, for the honors which he seeks. As a member of the Assembly during the past three terms he has gained a wide experience in the business of the lower house and is thoroughly familiar with the methods of proceedure. Thus he is in a position to expedite the work of the Assembly and direct its efforts to the best interests of the people.

Born at the National Capital and reared among the environments of the law making power of the nation, Mr. Brown has naturally imbibed a predilection for the work of the legislature, and has enjoyed a large opportunity to familiarize himself with the parliamentary customs and rules as these especially apply in legislative work. Again, the splendid legal attainments of Mr. Brown and his wide experience in the application of the laws of the state particularly qualify him for the honors which he seeks.

San Mateo county, through her representative, is justly entitled to this distinction. This county has asked in the past but little in the way of special honor at the hands of either branch of the Legislature Seldom have our people appealed for special preferment, and when the request is made it should be entitled to particular consideration.

Death of Old Resident.

J. R. McNulty died at his home in Millbrae last Thursday after a brief illness. The deceased was widely known throughout the county. For the past seventeen years he had been in the employ of D. O. Mills and prior to this time he resided in Woodside. The deceased was 66 years old. About twenty years ago he was justice of the peace of the Third township and served one term. The remains were interred in Woodlawn Cemetery yesterday afternoon. Deveased was a prominent member of George S. Evans Post, G. A. R. of this city, and Burlingame Lodge, F and A. M. Besides his wife he leaves three sons, George, Frank and Fred McNulty and four daughters, Ella, Edna and Minnie CcNulty and Mrs. F. Holman to mourn him.

PREPARE WAY FOR NEW STREET WORK

City COuncil Pushing Plans for Extensive System of Street Improvement Work

All of the trustees were present at the meeting of the council last Monday evening, when several matters of considerable public interest were disposed of. Chief among these in public importance was the taking of another step in the legal preliminaries incident to the plans for a comprehensive street improvement for Redwood City during the coming spring and summer. For several months Truustee Hynding, chairman of the street committee, has been at work systematizing these plans and preparing the outlines of the several districts into which the work is to be divided. These are now practically complete and under his direction City Attorney Mansfield has been busy preparing for the legal portions of the proceedure, and the work is evidently being pushed forward as rapidly as possible.

The streets included in the district to be improved are as follows:

Walnut street from Stambaugh to Holder.

Maple street from Main to Spring.

Hilton street from Walnut to Cassia.

Cassia street from Mound to Hilton.

Elm street from Phelps to Stambaugh.

Cedar street from the S. P. right of way to Stambaugh.

Cedar street from the S. P. right of way to the County road.

Chestnut street from the S. P. right of way to the County road.

Pine street from Heller to Stambaugh.

Spruce street from the S. P. right of way to Stambaugh street.

Stambaugh street from Chestnut to Spruce street.

Phelps street from Chestnut to the city limits.

Heller street from Mound to Pine.

Cooper street from Mound to Spruce street.

Holder street from Walnut to Main.

Main street from asphaltum roadway to Holder.

A petition presented by H. B. Fee brought to light a rather amusing error on the part of the Board of Supervisors and their legal advisor, and which at the same time emphasizes the need for business of the public. This was a request for the formal order of the council for the closing of portions of streets showing on the city records but which have in reality long since ceased to exist in fact. The streets referred to are portions of McKinley avenue and Blaine, Cleveland and Davis streets, south of Redwood avenue. These streets are, or rather were, in a portion of the Redwood Farm Tract, which was originally laid out before that section was included within the city limits. Some time after this, it was explained by Mr. Fee, the parties then owning the property changed their plans and decided to abandon these portions of streets. Not familiar with the law and subsequent transactions, these parties petitioned the supervisors, who had originally approved the plans of the tract, for the official vacation of the unused streets. Evidently the supervisors overlooked the fact that in the intervening time the tract has passed from their jurisdiction by annexation to the city, and relying upon the authority of their legal advisor, passed resolutions vacating the streets over which they had no authority. This left the present owners in the predicament of having legal streets running over their property where in fact no thoroughfares existed. The trustees admitted the peculiarity of the predicament and were ready to adjust the error. To accomplish this City Attorney Mansfield was directed to prepare the necessary legal proceedings.

A communication was presented from District Manager Newbert of the United Gas and Electric Company granting permission for the installation of a box of the fire alarm system at the sub station of the company in this city. The thanks of the trustees was returned for the accommodation.

Dr. A. Miles Taylor submitted an interesting report of his attendance at the meeting of the California League of Municipalities, containing a number of important suggestions. Among these was a suggestion that a salary somewhat commensurate with the work desired should be paid the health officer. Discussion of the report indicated that the trustees fully appreciated the careful attention given the duties of that office by Dr. J. L. Ross, the incumbent, and while the report was filed without action at this time, it was made evident that in the near future action would be taken to adjust the salary as recommended. Dr. Taylor also urged thataction be taken to compell connections with the city sewers.

City Clerk Plump reported that his supply of city maps had been exhausted and suggested that an additional supply be secured. Chairman Merrill was requested to ascertain the cost of printing and report at the next meeting.

At the request of Chief Winter the council fixed next Monday evening as a time for a joint conference with the officials of the Fire Department.

The macadamizing of Grand, Hudson, Iris, Jeter, Lowell and Nevada streets in district No. 14 was accepted and the claim of McGarvey, Hess & Kreiss, amounting to $10157.84, for the work was allowed.

The deed of Mrs. Johanna Offermann for property for the extension of Phelps street was presented and accepted. A warrant was ordered drawn on the Phelps-street extension fund for $5000 in payment for the property. Mrs Offermann was allowed 30 days in which to remove the buildings from the property.

Mayor Merrill suggested that some steps be taken to induce property owners on Arguello street to beautify the thoroughfare by the planting of trees. The suggestion elicited a hearty approval from G A. Kreiss, a property owner of of the street, who said that he had been urging this work for some time He however considered that there should be a concerted movement and there should be some uniformity in the character of trees planted. This he believed would not alone add to the attractive appearance of the city but would enhance the value of property on the street. At the suggestion of the trustees, Mr. Kreiss agreed to endeavor to enlist the property owners in the movement.

An ordinance was introduced and given first reading making it a misdemeanor to leave the draw of the East Bradford street bridge.

Marshal Coleman reported that of late there had been much complaint of stock runing at large upon the streets. This the trustees agreed should be remedied, and—well if any one wants a good job as pound-master, ask Trustee Brown.

Trustee Hynding called attention to complaints of lack of light on Railroad avenue. It was agreed that this condition should be remedied as soon as possible.

The clerk was instructed that the steam roller should not be loaned for work outside of the city limits.

An adjournment was then taken until next Monday evening, when the trustees will meet with the fire wardens.

DOINGS ABOUT THE COUNTY OFFICES

Matters of General Interest to Litigants Culled from the Public Records.

Adopts Abandoned Child

Yesterday in the Superior Court the petition of Joseph Roderiguez for the adoption of Julia Osorio was granted by Judge Buck. The little waif is an abandoned child 8 years old. She was deserted by her parents, Andrew and Victoria Osorio in 1905.

Final Decree Ordered.

Judge Buck has granted a final decree of divorce to Carrie Walters from her husband, Chester J. Walters. The interlocutory decree was granted on November 11th, 1909. The couple was married on June 27, 1904. There is no community property and no issue of the marriaage. The wife was wilfully deserted by her husband on September 21st, 1908.

Marriage Licenses Issued

The following marriage licenses were issued by county Clerk Nash during the week.

Raymond Johnston, aged 21 and Lorraine M. Figel, aged 19, both of San Francisco.

Clyde Eddy, aged 21, Chotean, Montana and Catherine Kirby, aged 18, St. Louis.

Ralph W. Hoffman, aged 23 and Hazel A. Day, aged 19, both of San Francisco.

Administratrix Appointed.

Judge Buck yesterday appointed Maud Vasquez administratrix of the estate of Pablo Vasquez, deceased. There has been a keen contest for the appointment among the children of the deceased and the matter has been before the court for the past two months. The estate is valued at $20,000. Vasquez was an old resident of Halfmoon Bay.

Drink Leads to Divorce.

Judge Buck on Thursday granted an interlocutory decree of divorce to Ora Stella Ramsey from her husband, Hugh Ramsey on the grounds of cruelty and habitual intemperance. The couple were married in Redwood City on October 18th, 1902. The custody of the three minor children was awarded to the mother and Ramsey was ordered to pay $30 a month for the support of his children. The plaintiff was formerly Miss Ora Covert of this city. At the time of the marriage Ramsey was a local minister.

New Building Contracts

The following builders' contracts were filed in the recorder's office during the week:

A. H. Beetham agrees to complete the finished mill work for the second story, closet and cabinet fittings for second and third stories and closet and cabinet fittings for kitchen and pantries, hardwood floor for kitchen and pantries, marble base second story hall, and rough mantel pieces for Mrs. Theodore Payne on her new home at Menlo Park, for $21,788. A. H. Beetham also agrees to do the tile work in the building for 94c per square foot for wall tile, 66c for floor tiling, plain tile around the window jams and sills at $1.65.

Fred C. Jones agrees to erect for the Roman Catholic Archbishop of San Francisco in 90 days a two story frame structure and basement at Burlingame for $3595.

New Suits Filed.

The East San Mateo Land Company has brought an action in the Superior Court against Alexander Solomon to recover $197.96, balance due on the purchase price of a lot in East San Mateo. The original amount paid for the property was $325 and the defendant failed to keep up his monthly payments Plaintiff also asks for costs of suit and interest.

The Barber Asphalt and Paving Company has brought an action in the Superior Court against H. H. Zwick to recover the sum of $150 for grading and paving the street in front of his property at Burlingame by direction of the trustees. Plaintiff asks that a commissioner be appointed to sell the property.

Louis Carrere, proprietor of the Redwood City Bakery, has brought suit in the Superior Court against E. Gezelin to recover the sum of $350, balance due on the sale of the bakery. The bakery was sold to Gezelin on November first for $1000. He was to pay $500 down and the remainder in monthly installments. Defendant paid only $150 and no more. Plaintiff also asks that Gezelin be restrained from collecting outstanding bills.

Appraisers File Report

E. Ted Thompson, Con Cullen and A. Cook, appraisers of the estate of James Franklin, deceased, have filed their inventoryy and appraisement. The total value of the estate is placed at $7191.68. It consists of money in the hands of the administrator, Robert Brown, amounting to $40.17, cash in the Hibernia Bank amounting to the sum of $6121.85, a deposit in the San Mateo Savings Bank, $979.66, and a lot in Cypress Lawn Cemetery valued at $50.

Ready for Probate.

H. G. Plymire, through his attorney, Harry E. Styles, has applied in the Superior Court for letters of administraton upon the estates of the following deceased persons:

Estate of Michael Welsh, who died in 1874. The value of the estate is unknown.

Estate of Elizabeth Welsh, deceased, who died in 1888. The value of the estate is unknown.

Estate of Patrick Martin, who died in 1856. The value of the estate is unknown. Dennis Martin, brother of the deceased, was appointed administrator of the estate in 1861, but failed to settle the estate. A portion of the Martin realty was sold by the administrator to Elizabeth Welsh of Woodside where the property is located. The public administrator seeks letters of administration for the purpose of giving a valid title to the land.

Estate of P. O. Nelson, who died in the German hospital, San Francisco on Nov. 7th, 1910. He was a resident of Menlo Park at the time of his death. The value of the estate is unknown.

John E. Benjamin has applied in the Superior Court for letters of administration upon the estate of Charles L. Benjamin, who died in Providence, Rhode Island on October 20, 1910. The estate consists of real property in San Mateo county and Contra Costa county valued at about$7500. The estate in this county comprises of a balance due on a house and lot in South City, amounting to $500 and$1500 due on another house and lot in the same place. The property in Contra Costa county is valued at $5500. Mr. Benjamin was a former resident of Redwood City and was at one time engaged in the whole sale liquor business in San Francisco. He was also a member of the San Francisco board of supervisors for one term. The Benjamins were early settlers of this city.

Too Much Procrastintion.

The suit of George F. Witter against Josephine A. Phelps has been dismissed in the Superior Court by Judge Buck. The suit was originally begun in San Francisco and afterwards transferred to this county. Plaintiff sought to recover the sum of $10,000 alleged to be due from transaction growing out of the settlement of the T. G. Phelps estate. The case was dismissed on the ground that Witter failed to show due diligence in prosecuting it. He simply filed it and slept on his rights. The court gave judgment to the defendant for her costs in the sum of $12.50. Another suit brought by plaintiff against Mrs. Phelps for $5000 for attorneys' fees was also dismissed for the same reason. Mrs. Phelps was allowed her costs in the sum of $11.50. Ross & Ross of this city appeared in the litigation for Mrs. Phelps.

CHATHAM WILL CONTEST ELECTION OF MANSFIELD.

Charges Opponent With Violation of Election Laws.

Robert S. Chatham yesterday filed an election contest against J. H. Mansfield for the office of sheriff. The complaint alleges that Mansfield violated section 55 of the Penal Code in that he promiseh deputyships to various persons in the county and in that way secured a great number of votes that would otherwise have been cast for plaintiff. The complaint says that Mansfield on September 15th offered a deputyship to Jack Shields of San Mateo and on the same date offered a similar position to John Freel, Manuel Quella, Matthew Callan and others. Chatham also says that in several precincts many votes were read for Mansfield that should have been counted for him. Judge Buck has set December 20th as the date for hearing the contest. Wm. F. Herron of San Francisco is Chatham's attorney.

OFFICERS OF SEQUOIA CHAPTER INSTALLED

Imposing Ceremonies in Handsomely Decorated Lodge Room

Undoubtedly the most notable event in the history of fraternal organizations in Redwood City was the installation of the officers of Sequoia Chapter, Order of the Eastern Star, last Monday evening. Certainly no lodge room has ever presented a more handsomely attractive appearance than that which greeted the members of the order and their invited guests on this occasion.

Under the artistic direction of Edwin B. Fox, assisted by Mrs. G. Squires and Kenneth Murray, the Chapter room had been transformed into a perfect bower of beauty. Flowers and evergreens were the chief components of the decorations, though the effects of these were enhanced by the intertwining of the colors of the order in ribbon effects. Adding emblematic effect to the whole a beautiful reproduction of the emblematic star of the order illuminated with electric globes of the significant colors, had been suspended over the chair of the presiding officer.

In this handsome room members of the order and their invited guests to the number of about 100 gathered to witness the imposing ceremonies incident to the introduction of their stations of those into whose hands the conduct of the affairs of the Chapter were to be intrusted for the year. The installation ceremonies were conducted by Mrs. Malcolm of Palo Alto, district deputy worthy Grand matron, assisted by Mrs. L. P. Behrens as marshal. With the impressive ceremonies of the ritual the officers were introduced into their several stations as follows:

Worthy Matron, Mrs. F. K. Towne; Worthy Patron, Mr. F. K. Towne; Associate Matron, Mrs. Geo. Squires; Conductress, Mrs. Ellis Enson; Associate Conductress, Bee Fox; Secretary, May Cook; Treasurer, L. P. Behrens; Ada, Mrs. Harry Lewis; Ruth, Mrs. Geo. Leary; Esther, Mrs. Fred Chilcott; Martha, Mrs. Roy Cloud. Electa, Mrs. Margaret Ligouri; Warder, Mrs. I. M. Kirkpatrick; Sentinel, Mr. Geo. Leary; Chaplain, Mrs. Robert Brown; Marshal, Mrs. L. P. Behrens; Organist. Mura Wilcox.

A pleasing conclusion of the installation ceremonies was the presentation by Worthy Patron F. K. Towne, on behalf of Mr. and Mrs. Kenneth Murray, to the installing officer of a handsomely arranged basket of carnations, the recipient acknowledging the tribute in feeling terms.

Another interesting feature of the evening was the splendid vocal selections rendered by Prof. O. M. Carrington and C. G. Landscheit. Following the installation an informal banquet was served, after which a delightful hour was spent in social conversation.

SEQUOIA STUDENTS WILL CONTEST WITH PALO ALTO.

On last Monday evening those students of Sequoia High School who are most interested in debating held a try-out to select two teams to contest with Palo Alto on December 17th. The question debated was "Resolved—That the Initiative and Referendum Should be Introduced by Our State Government." Those upholding the affirmative were Irene Davis, Ray Griffin, Gertrude Pitcher and Fern Toothaker; while the negative was upheld by Phoebe Cook, Frank Griffin, Percy Smith and Roy Woodhams. The contest showed they had given the subject some study; and the arguments were well up to the level of contests which have heretofore been held in the high school.

The judges for the occasion were Mrs. Hartley, Superintendent Cloud, and Mr. Myers. After giving the matter full consiredation they arrived at the conclusion that Ray Griffin, Gertrude Pitcher, Roy Woodhams and Frank Griffin should represent the school in its contest with Palo Alto, with Fern Toothaker and Phoebe Cook as alternates.

Ray Griffin and Gertrude Pitcher will uphold the affirmative of the question at home, and Roy Woodhams and Frank Griffin will go to Palo Alto and uphold the negative before an audience at that place.

Shortly after the earthquake, Sequoia, after substituting a debator for one who left our school to enter San Mateo, was beaten by Palo Alto in a debate on the Department Store question. Our school was represented by Grace Davis, Elna Clark and Richard Heilman, and a fine cup was awarded to Palo Alto by the decision of two Stanford professors. It is hoped we may have better success this time.

Mother or sister will be pleased with a nice piece of neckwear for an Xmas gift. Get them at Einstein's.

COUNTY FATHERS IN REGULAR MEETING

Board of Supervisors Disposes of Long List of Routine County Business.

The board of supervisors met last Monday and transacted considerable routine business.

Supervisor Casey moved that the application of Matthew Callahan for a liquor license at Colma be rejected on the ground that the license had been held by John A. Gillan and he desired to hold it for the Gillan heirs who are still conducting the place in Colma hall in which the license is located.

The motion was seconded by Blackburn and carried.

The chairman stated that it would be well to establish a precedent as to whether the license belonged to the building in which it was located or to the holder.

It was decided to give the matter further investigation and with this understanding Casey's motion was rescinded.

The application of Charles Meyer for a liquor license at Menlo Park was laid over for one month at the request of McEvoy in view of the fact that the liquor question at Menlo Park was now under consideration by the Supreme Court.

Coroner and Public Administrator Plymire rendered a report as to the disposition of the personal effects of certain deceased persons.

Mrs. Denechand and Miss Denechand, indigent persons of Lomita Park, were granted aid in the sum of $8 per month each.

Thos. F. Quinlan was granted permission to move the location of his saloon at Halfmoon Bay to the Foley building in the same place.

J. V. Azevado was granted permission to move his liquor business from I. D. E. S. Park to the bilding to be vacated by Mr Quinlan.

The chairman reported that there was a discrepancy in the contract with the South San Francisco Light and Power Company for the lighting of the Colma Highway Lighting District, on account of which he was unable to execute the contract.

After a consultation with Mr. Edwards, the company's manager, Mr. McEvoy was authorized to meet with the power company's attorney and adjust the matter.

Mr. McEvoy also reported that he had been unable to enter into a contract with the M. G. West Company and the Library Bureau for the new furniture for the courthouse on account of the faulty form of the contract. As in the previous case the chairman was authorized to have the contract properly amended.

Mr. McEvoy also reported that he had learned that the road at the Alembique creek at Woodside across which Morey & Sons had been awarded a contract to build a bridge, was a private one, besides being too narrow to accommodate the full width of the bridge. He had been endeavoring to secure a conference with the adjacent landowners with a view to securing a public right of way.

On motion of Casey, seconded by Francis, the matter was left in the hands of the chairman with power to act.

L. R. Huyck, who has the contract for the concrete bridge across Pilarcitos creek in the Fourth township reported that he was prevented from building the bridge by Mrs. Josephine Herling who owned the property on both sides of the road and it was necessary to use a portion of her property. The matter was referred to the surveyor who was authorized to secure help that was necessary to ascertain the correct line of the property.

The complaint of Mrs Madden of San Bruno regarding a certain water way in front of her property, which had been referred to Casey, was continued for a month.

A petition, signed by M. F. Cunha and other residents of Halfmoon Bay was read asking the board to call an election for the purpose of forming a sanitary district in the territory comprising the town of Halfmoon Bay.

Alvin Hatch was sworn and testified that the petition had been circulated by him and that all of the signatures were genuine and they were all taxpayers.

The petition was accepted on motion of Francis, seconded by Casey, and a resolution adopted fixing Saturday, January 14, 1911, as the date on which the election shall be held.

J. F. Ford, superintendent of the county poor farm, invited the board to inspect the new buildings. The board agreed to make an inspection on Saturday, December 10th. The press was also extended an invitation and many of the newspaper men of the county will be present A banquet will be tendered the visitors of the inspection.

A communication was received from Fred Martin of Palo Alto offering to furnish all material and paint the flag pole in front of the courthouse for $50.

The offer was accepted and Superintendent MacKenzie directed to oversee the work.

Neils Grouloff, the ocntractor for the concrete work in front of the courthouse, asked the board to allow his claim.

A few of the supervisors in discussing the matter said the work was poorly done. The chairman suggested that the board inspect the work and point out any defects there may be and have the contractor remedy it. After considerable discussion the members agreed to this and will act on the contractors claim ot the next meeting.

The city attorney of Palo Alto addressed the board relative to an old claim of the City of Palo Alto for gravel furnished the Third Road district and stated that he would again discuss the matter at the first meeting after January 1st.

Every Household in Redwood City Should Know How to Resist It.

The back aches because the kidneys are blockaded.

Help the kidneys with their work.

The back will ache no more.

Lots of proof that Doan's Kidney Pills do this.

It's the best proof, for it comes from Redwood City.

Mrs. A. H. Lanfear, Heller and Chestnut streets, Redwood City, Cal., says: "We consider Doan's Kidney Pill an excellent remedy and can give them the strongest recommendation. About three years ago they were first used in our family, when we lived in Buffalo, N. Y. Their use in my case brought prompt and positive relief from pain and lameness in the back and other distressing difficulties due to weak kidneys. To say the least, the results were gratifying. Another person in our household who suffered from backache found Doan's Kidney Pills very effective and has ussd them off and on since then with good results."

SOUTHERN PACIFIC

Uncle Sam evidently has not had a very prosperous year and will have to economize some in order to catch up. To all those who find it necessary to economize, we suggest that they patronize this laundry. If we cannot please you with the method of our laundering, there's no laundry that can please you. The work we do is recognized as being as near perfection as it can be made.
